

The Great World Ink Anti Counterfeit Traceability System

Great World Ink and Coatings Co., Ltd. is a professional ink production company and a technological pioneer in the domestic ink production industry, occupying a pivotal position in the ink production field. Our company was founded in 1981 and currently has three production factories in Tainan, Dongguan, and Kunshan. We also have multiple sales bases in Taiwan and the southeastern coast of mainland China, providing customers with the best sales services and supply channels at any time. In addition to a rigorous quality control and inspection system, we also have a strong R&D team that can provide technical consultation and quality assurance according to customer needs.

悠久立信一直专注于提货系统、防伪系统等企业信息化软件解决方案。
